

# WOODEN SERIES by WELIGHTING

# WELIGHTING

Illumination serves more than the obvious purpose of providing visibility – it can also set an ambiance, establish a mood and even alter perception. Good lighting design strikes the perfect balance between aesthetics and technology to reimagine any space into something extraordinary.

Our team of professional are dedicated to supporting your interior design project from start to finish. Our specialists provide thoughtful style consultation and source the latest in-trend lighting fixtures, as well as create custom luminaires based on technical reports. Throughout the entire process, our experts strive for excellence providing comprehensive test and commissioning support along the way.

## WE Mission

WE strive to provide the best lighting product and service every step of your project, as the WE success is built on the relentless commitment to satisfy our customers.

## WE Value

WE perfect every area of our lighting solution service. WE believe that never-ending innovation is the cornerstone of our daily work.

## QUALITY

To ensure that we deliver the best possible services, our R&D team is dedicated to providing you with a high standard of technical knowledge. They are responsible for new technology investigation and development as well as sourcing components from reputable suppliers in order to make sure all projects run smoothly without any hiccups along their journey.

## CUSTOM-MADE

A stylish design goes beyond the visual appeal of a space. It's also about the comfort and quality experience a space offers to its users. No matter whether you are seeking to save energy, maximize comfort, or get a personalized scene that can be transformed at the flick of a switch, we tailor-make lighting control solutions for homes, stores, offices, or even outdoor spaces.

## SHOWROOM

WE showroom and office locate in Lai Chi Kok, and we will have regular event and seminar for technical presentation as well as leisure gathering. WE sincerely invite you to visit our showroom anytime.

# WELIGHTING's Wooden Series

A collection of exquisitely handcrafted decorative lighting made from high-quality wood.

The use of wood in these lighting fixtures sets them apart from traditional metal designs, lending a warm and organic feel to the surroundings.

Each piece is meticulously crafted to enhance the overall aesthetic appeal, making them perfect for those seeking a blend of functionality and style.

Experience the beauty and craftsmanship of WELIGHTING's Wooden series and transform your space into a haven of tranquility.
