Selix S

Exploded-view Drawing

Experience the transformative power of Selix in elevating your living spaces, enhancing your bathroom and kitchen environments, and illuminating your outdoor areas with style and durability. With its exceptional waterproof capabilities, powerful illumination, innovative heat sink design, and eye-friendly lighting, Selix is the epitome of excellence in the world of downlights.

- Full IP65 Waterproof Rating
- Powerful Illumination
- Revolutionary Heat Sink Design
- Multi Anti-Glare Mechanism
- Versatile Design Options

FOR YOUR EXTRA NEED:

Selix A

The adjustable version allows you to direct and adjust the angle of the light beam, providing flexibility in illuminating specific areas or objects. Whether you rearrange furniture, modify room layouts, or change the purpose of a space, Selix A can be repositioned and readjusted accordingly, providing ongoing flexibility and optimization of your lighting design.
